How To Draw Dino

What cartoon artists have been waiting for – more cartoon tips! This issue we have top tips on how to draw everyone's favourite dinosaur – Dino! Follow these pointers and you'll be a star artist in no time!

POSE 1

Calculate the height of Dino by drawing 7 circles as above.

POSE 2

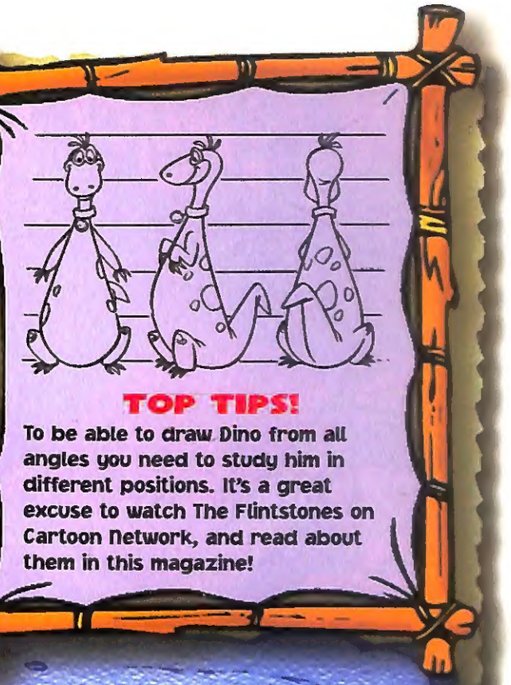
In the circles draw a line for the base of the eyes. Next draw Dino's nose. Then do the body like a deflated balloon adding the tail to the right.

POSE 3

Draw the eyes and the hair. Half way down the neck draw Dino's collar. Then draw the arms taking into account they reach down to the middle of the body.

POSE 4

Finally, you do all the details: the fingers, spots on the back, nostrils and the pupils in his eyes.

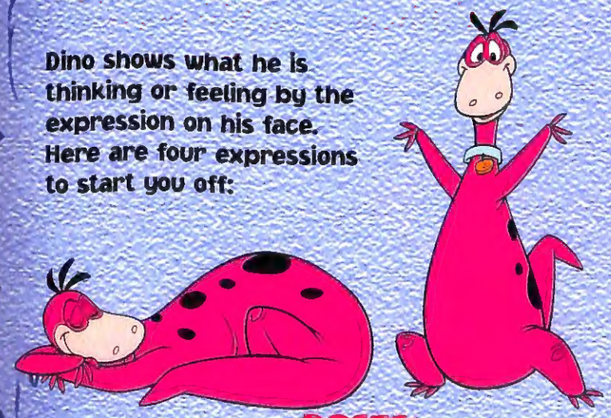


TOP TIPS!

To be able to draw Dino from all angles you need to study him in different positions. It's a great excuse to watch The Flintstones on Cartoon Network, and read about them in this magazine!

LAUGHING SHY SCARED HUNGRY

Dino shows what he is thinking or feeling by the expression on his face. Here are four expressions to start you off:



POSES:

You can show Dino's actions by drawing him in poses. They're the body version of facial expressions.

Here is Dino asleep, wanting a hug and happy. Or is he dreaming, stretching and waiting for food? One pose can have different meanings. How many poses can you come up with?

Turn to page 45 for more Toon Tips on drawing a Stone Age background for Dino to play in!

1 Wet a piece of paper, be careful not to tear it.
2 Write your message in fibre tip pen on the paper.
3 The writing fades away as the paper dries. Wet the paper again and the writing appears...
MAGIC GLASSES!
How do you get water to travel from one glass to another without moving either glass? Simple! Put the full glass of water on a pile of books and the empty glass on the table. Put the end of one long piece of paper into the water and let the other end hang into the empty glass. Now, wait a few minutes, be patient!
The paper sucks up the water, it travels along the paper and drips into the empty glass. Ta-da! That's magic!

WOKE UP IN A BAD MOOD, GOOD START TO THE DAY, UNTIL THAT DRATTED PIGEON FLEW OVER BLOWING HIS BUGLE. THAT REALLY MADE ME GET OUT OF BED ON THE WRONG SIDE. UNFORTUNATELY, THAT SIDE OVERLOOKS THE HANGAR AND I FELL FIFTY FEET ONTO KLUNK'S LATEST INVENTION. DRAT! IT TOOK TWO HOURS TO UNTANGLE ME FROM THE WRECKAGE. AND ALL THAT FLEA-BITTEN MUTTLEY COULD DO WAS SNIGGER!

AND THEN THE GENERAL HAD TO RING. HAS THAT OLD GOAT GOT NOTHING TO DO BUT BOTHER ME? I'M TRYING TO DO A JOB HERE. AND WITH WHAT? VULTURE SQUADRON, THAT'S WHAT. A BUNCH OF HALF BAKED, NINNY-HEADED NINCOMPOOPS.

ON TOP OF ALL THAT, THE GENERAL INSISTED I GIVE MUTTLEY ANOTHER MEDAL FOR SAVING HIS COMMANDING OFFICER. DOUBLE DRAT! IS THIS THE THANKS I GET?

BUT, AS THAT LUNK-HEAD, KLUNK, IS ALWAYS SAYING, "VREEP P-DING THWAT ZEEPP BIP BIP AK!" AND HOW RIGHT HE IS!

On The Road With CARTOON NETWORK™

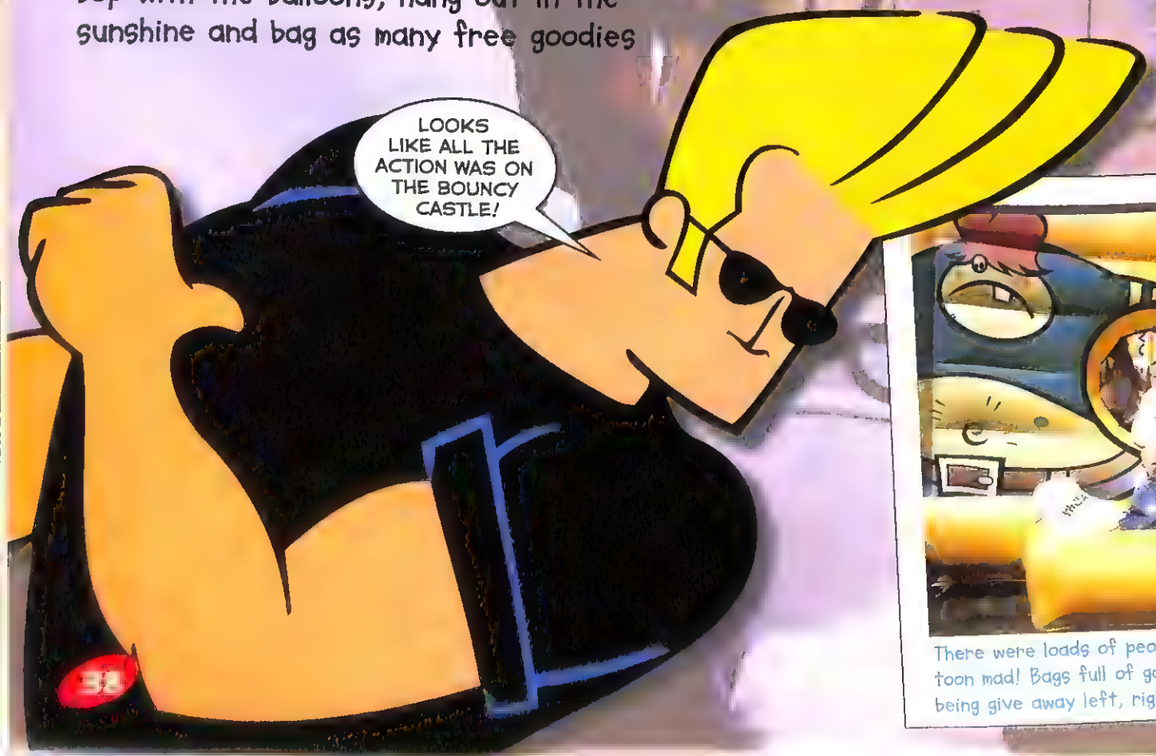
The home of cartoons came out of the TV screens and into your neighbourhood this summer in the shape of Cartoon Roadwork '99!

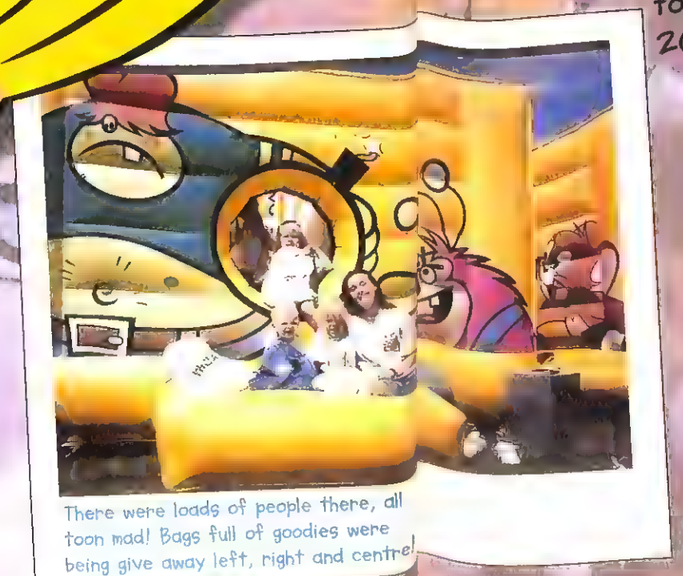
If you kept your eyes open these holidays and were whizzing down a country lane in the car you may have spotted an almighty great big yellow bus with the Powerpuff Girls zooming along one side and Cow's bum sticking out the back! Let's face it, it's not easy to miss!

Cartoon Roadwork '99 set down its tour bus and activated its inflatatoons in five cities across the country – Sheffield, Basildon, Bristol, Coventry and Gateshead. We sent our most toon-tastic reporter, Tom Miller, to the Bristol Balloon Festival to have a bop with the balloons, hang out in the sunshine and bag as many free goodies as he could. Here's what he had to say:

Cow is on the moooove!

There are jobs that are fun and then there are jobs that are TOON-TASTIC! The only way I could ever be dragged away from watching Cartoon Network on TV is to be sat



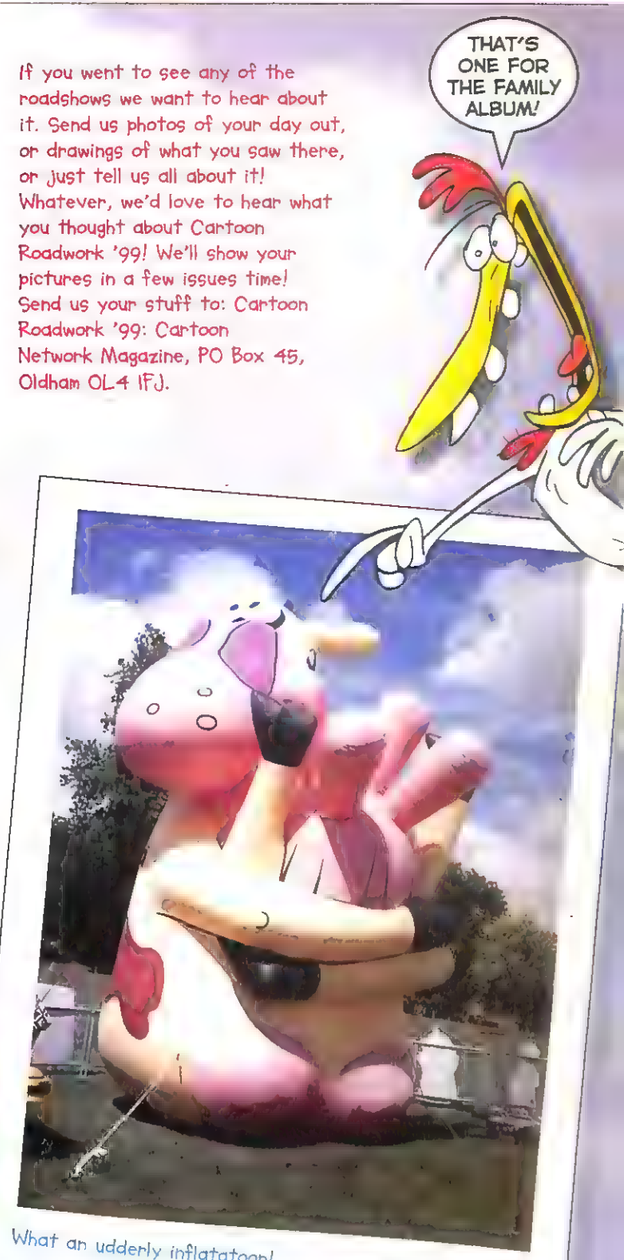


There were loads of people there, all toon mad! Bags full of goodies were being give away left, right and centre!

The show is ready to go!

in front of the inflatable version! When the giant Johnny Bravo or Cow balloons weren't flying above my head they were happily sitting next to the so-yellow-you-need-sunglasses tour bus. The tour bus was a bit like one of Dastardly and Muttley's flying machines, amazing inflatable and extendible contraptions came out of it! A stage was on one side of the bus. The Mystery Machine mysteriously inflated out of the roof; and as if that wasn't enough, a double bouncy inflatable was attached to the back! You could have a bounce, hug giant Johnny or watch top toons on the TV! It was a toonarama of a day, I can't wait for Cartoon Roadwork 2000! See you there!

If you went to see any of the roadshows we want to hear about it. Send us photos of your day out, or drawings of what you saw there, or just tell us all about it! Whatever, we'd love to hear what you thought about Cartoon Roadwork '99! We'll show your pictures in a few issues time! Send us your stuff to: Cartoon Roadwork '99: Cartoon Network Magazine, PO Box 45, Oldham OL4 1FJ.



What an udderly inflatatoon!

I met my favourite dog and stone age guy, Scooby-Doo and Fred Flintstone!

I M Weasel and I R Baboon in

Medieval Knights

I AM CAPABLE OF SUCH A NOBLE TASK!

By Royal Notice

Whosoever shall bring the magic sword to the Royal Castle shall wed the Royal Princess.

His Majesty

I.R. GOING TO GET SWORD TOO!

We greet our trusty heroes in the Medieval Ages, a time when men fought with honour, people rode around on horses, everyone wore tunics and looked really funny!

WEASEL, LOWER BRIDGE!

WITH PLEASURE, BABOON!

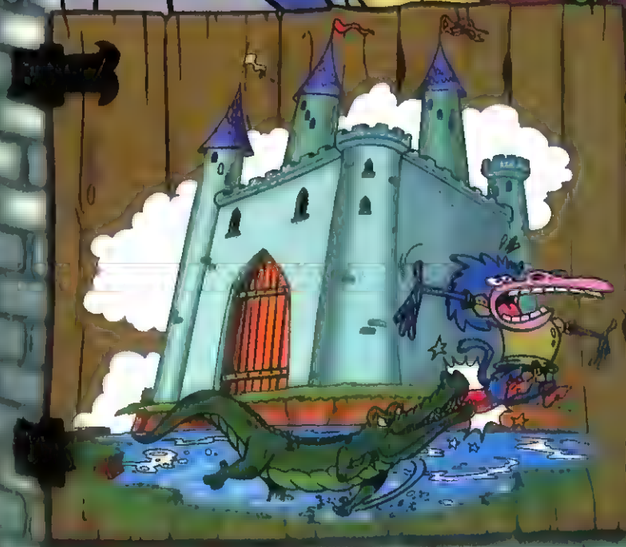
THANK YOU...

PLAF!

BABOON WANTS TO KNOW WHERE SWORD *IS*, KING PERSON!

THE SWORD IS STUCK IN A ROCK, RETRIEVE IT AND YOU WIN THE HAND OF LADY STACEY!

YOU SHALL *HAVE* THE SWORD, YOUR HIGHNESS! YOU HAVE THE WORD OF *WEASEL!*



Castles

In these medieval times kings and royal families lived in castles. These were built high up on a hill so that the guards protecting the royal family could see anyone trying to attack. If the castle did come under attack, the stone walls stopped arrows and other projectiles penetrating the castle. A surrounding moat meant that attackers had to cross water to get to the castle. Crocodiles in the moat often made a one course meal out of anyone foolish enough to take a dip!

LATER...

I.R. BREAK ROCK! GET *SWORD!*

BABOON, STOP! DAMAGE THE ROCK AND THE *DRAGON* WILL AWAKEN!

HAH! I.R. HAS SWORD AND I.R. SEE NO...

RATATATA!

...DRAGON?!

IF HE WOULD JUST LISTEN TO ME FOR ONCE...

Whoooosh!

Knights of the Round Table

Fifty horsemen deemed to be the best knights in the land were gathered together by King Arthur. Their name comes from the table they gathered around, which had their titles carved in the wood. They defended their king and country and their battles and adventures have been recorded as legends. Sir Lancelot is probably the most famous of the Knights. He was the noblest knight, but he was secretly in love with Arthur's wife, Guinevere.

ISN'T THIS JUST TYPICAL. I PUT MY LIFE ON THE LINE FOR A FELLOW KNIGHT AND HOW DOES HE REPAY ME?

I.R. HAVE SWORD...MUST FIND PRINCESS! *ME THERE!*

HMM, THAT BABBLING BABOON MAY HAVE RETRIEVED THE SWORD, BUT HE'LL NOT SULLY THE FAIR PRINCESS IF *I* CAN HELP IT...

YEUCH! I.R. FACED ONE DRAGON ALREADY!

VERILY, *THE END!*

Merlin

Merlin was a brilliant magician and a mentor to King Arthur. He lived alone in a huge castle in a dark and mysterious forest. According to the legend, Merlin had powers of flight and invisibility. The common people were too scared to look at him because they thought his gaze would hypnotise them. It was Merlin who placed the sword Excalibur in the rock, assuring that only the one true king would have the strength to free it.

HOW TO DRAW MORE!

You've read pages 8 and 9 on how to draw Dino, now here are a few more art tips to create a Stone Age background for him!

PLANTS

Start with a simple oval. Then add in the petals at the back. Remember, these don't have to be perfect ovals!

Add shape to the leaf details and texture. These should be as easy and fun as you like!

ROCKS

Again, start with a simple oval, then add a rough outline to shape.

Add more details, shading and texture to your rock. Make it as realistic as you like!

Agony Aunt

WELCOME MY LITTLE DARLINGS, TO MY LETTERS PAGE. THIS IS WHERE YOU CAN TELL ME ALL ABOUT YOUR LITTLE PRIVATE PROBLEMS AND I, WITH THE REST OF THE WORLD WHO READS THIS, WILL TRY TO GIVE YOU SOME ADVICE. I'M SORRY I CAN'T ANSWER ALL YOUR QUESTIONS, BUT A HOUSE DOESN'T CLEAN ITSELF YOU KNOW, AND I'VE MY LITTLE TREASURE DEXTER TO LOOK AFTER...

DEAR CARTOON NETWORK,
MY MOM SAYS I WATCH TOO MANY CARTOONS. SHE SAYS THAT ONE OF THESE DAYS I'LL TURN INTO A CARTOON. COOL! HOW MUCH TV WILL I HAVE TO WATCH BEFORE THIS HAPPENS? AND COULD I GET A JOB AT CARTOON NETWORK IF I DO??
YOURS, TOON-HEAD

DEAR TOON-HEAD,
WELL, DEAR, YOUR MOTHER IS RIGHT. IF YOU WATCH TV ALL DAY THEN YOU WILL END UP LOOKING A LITTLE DRAWN. IF I WAS YOUR MOTHER I'D MAKE SURE YOU GOT TO BED EARLY AS TOO MUCH TV ISN'T GOOD FOR YOU. AND THOSE CARTOONS LOOK VERY STRANGE. FIND OTHER THINGS TO DO. I DON'T LET DEXTER WATCH CARTOONS AT ALL AND HE'S TURNED OUT TO BE A NORMAL, HEALTHY BOY...

DEAR CARTOON NETWORK,
I AM IN LOVE WITH A GIRL, BUT SHE WON'T LOOK AT ME. MY NICK NAME IS WEEDY. IF I GO TO THE GYM DO YOU THINK I'LL STAND A CHANCE? SHOULD I BE ON SOME SPECIAL DIET TO HELP ME BUILD MUSCLE. HELP ME, I'M DESPERATE.
YOURS, WEEDY.

DEAR WEEDY,
THE ONLY WAY TO STAY HEALTHY IS TO EAT YOUR GREENS. A GIRL SIMPLY CAN'T RESIST A MAN WHO KNOWS HIS FOOD GROUPS. DON'T WORRY ABOUT MUSCLES. I DIDN'T FALL IN LOVE WITH DEXTER'S DAD FOR HIS MUSCLES; IT WAS HIS LEVEL-HEADED COMMON SENSE AND STARCHED COLLARS THAT TURNED MY HEAD. AND HE WAS QUITE WEEDY TOO.

DEAR MOM,
MY SISTER IS CONSTANTLY WRITING ON MY COMPUTER, STOPPING ME FROM INVENTING INCREDIBLE THINGS.
YOURS, D.

DEAR D,
YOU REALLY MUST TRY AND GET ON WITH YOUR SISTER, DARLING. YOU WOULDN'T SEE MY PERFECT SON AND DAUGHTER BICKERING LIKE THAT...AH...I MUST CLOSE THIS MONTH, AS I'VE A PAN BOILING OVER...

CARTOON NETWORK

Horoscopes

MYSTIC JOHNNY, HERE, STAR WORSHIPPERS. ARE YOU A WATERY AQUARIUS OR A ROARING LEO? WILL PLUTO MATCH JUPITER AND MAKE COSMIC SENSE, DUDE? READ ON TO FIND OUT WHAT YOUR LUCKY STARS ARE SAYING ABOUT YOU!

AQUARIUS
20 JAN - 18 FEB
Like, that's a water sign, man. Cleanliness is next to Studliness. You just can't spend too much time in the bathroom this month. Don't forget you can never look too good. And you can never look in the mirror too many times either, so don't let it steam up in there. Spoils the view. Makes your hair limp and lifeless too.

PISCES
19 FEB - 20 MARCH
Hey, your stars are looking up. This is your lucky day! We're compatible, baby. You and me Swimming in the ocean of lurve. Right now. What do you say, little momma?

ARIES
21 MARCH - 19 APRIL
Sassy! Today is definitely your day. You're gonna have a good hair day, yes, y'are. If you take time to hang out and check out the talent, things will really start to gel.

TAURUS
20 APR - 20 MAY
Studly! Taurus the bull, sign of a buff bod. Nuff said.

GEMINI
21 MAY - 20 JUNE
Geminis, ain't they the twins? Oh, yeah, momma, come to daddy, I gotta get me some of that twin babe action there. Laters!

CANCER
21 JUNE - 22 JULY
Hey, you're one of those crab dudes. Maybe y'ought come out of your shell a little bit. You won't find love in there. Unless of course you got a mirror in there. You should never leave home without it. Not that you can!

LEO
23 JULY - 22 AUG
Leo the lion. One cool cat. Spending time on your grooming will pay dividends this month. Babes will go mad for you. You're the Mane Man. Just stay outta my neighbourhood.

VIRGO
23 AUG - 22 SEPT
Neptune is linked with Jupiter this month, or something. Whatever. Probably means something but just can't quite put my finger on it. Don't sweat it. Unless, it's something to do with my mama. In which case, I'm outta here. You're on your own, kid. Good luck.

LIBRA
23 SEPT - 22 OCT
Libra the Librarian. Sheesh, get your nose out of those books, kid. This is no time to be studying. This is time for love! Yes, momma! Life is a test and now's the time for the Practical not the Written. Say, what are you doing tonight? I can be your study buddy!

SCORPIO
23 OCT - 21 NOV
Domestic matters are high on the agenda this month. You really ought to learn to keep your room tidy. Your momma will appreciate it and it'll give you more time for scoping out babes instead of tidying. Take my word for it. I'm living proof.

SAGITTARIUS
22 NOV - 21 DEC
With the sun in the sky this is a good time to learn something new. Interpretative dance is a good bet. Impresses the chicks. Take my word for it. Or you could try some of that salsa stuff. Make like Ricky Martin and watch those little darlin's come a runnin'.

CAPRICORN
22 DEC - 19 JAN
You should own up to your short comings. You'll never be as pretty as me, but heck, don't let that stop you trying. We can't all be and some of us aren't.

RIGHT THAT'S IT WITH THIS STARS STUFF. I'M OUTTA HERE. I'M GOING DOWN THE MALL TO CHECK OUT THE BABES!

1. There's a dent in Maple Street the size and shape of Johnny's face – he stuck it in the wet cement for posterity.
2. Johnny sleeps wearing his sunglasses.
3. Johnny thinks having a feminine side means an all-girl football team.
4. Johnny holds the world's speed hair combing record.
5. Johnny's idea of really impressing a girl is to crochet her a sweater from his own chest hair.
